Assignment of Medical Beneficiary and Insurance Authorization

SAGINAW MEDICAL ASSOCIATES

I, _____, the undersigned (the "Patient"), having healthcare benefit coverage through a group (including a self-funded and employer/employee benefit plan), Medicare, Medicaid and/or individual healthcare plan (collectively, the "Plan"), hereby assigns and conveys directly to **Frankenmuth/Saginaw Medical Associates** (the "Provider"), all medical benefits and/or insurance reimbursement, if any, otherwise payable to the Patient for services, treatments, therapies, and/or medications rendered or provided by the Provider under the Plan, regardless of the Provider's managed care network participation status. The Patient hereby appoints the Provider, and/or the Provider's appointed business associates, the Patient's rights, title, and interests in and to, and related to the recovery of, any and all healthcare and/or surgical benefits which the Patient is entitled to receive under the Plan, and authorizes the Provider to release all medical information necessary to process the Patient's claims thereunder.

I certify that the health insurance information that I provided is accurate as of the date set forth below and that I am responsible for keeping it updated. I hereby authorize provider to submit claims, on my and/or my dependent's behalf, to the benefit plan (or its administrator) listed on the current insurance card or insurance information. I also hereby instruct my benefit plan (or its administrator) to pay the Provider directly for services rendered to me or my dependents. To the extent that my current policy prohibits direct payment to provider, I hereby instruct and direct my benefit plan (or its administrator) to provide documentation stating such non-assignment to myself and the provider upon request. Upon proof of such non-assignment, I instruct my benefit plan (or its administrator) to make the check payable to me and mail it directly to the provider. I am fully aware that having health insurance does not absolve me of my responsibility to ensure that my bills for all professional services from the Provider are paid in full. I also understand that I am responsible for all amounts not covered by my health insurance, including co-payments, co-insurance, and deductibles.

I understand, agree and hereby certify that I am obligated to pay, as charged and billed for global service charges, regardless if the above services are covered under my health insurance or plan. I understand that "Deductible" is defined, under the Uniform Glossary from ERISA & the Patient Protection & Affordable Care Act (ACA) as: "*The amount you owe for healthcare services your health insurance or plan covers before your health insurance or plan begins to pay,*" and that I have no knowledge of any plan exclusion or limitation for the charges for healthcare services rendered by the above listed provider, in case that I can't afford to pay for 100% deductible. I understand the payments are due at the time of the services unless otherwise proactively arranged with applicable PPO or ACA discount. I am fully protected against any unexpected medical bills or charges by my provider's ACA or indigency discount under the above provider's indigency Policy, for any payor compliant PPO Discount or Non-PPO Re-pricing Discount from my health insurance plan from my health insurance or plan. My satisfaction is guaranteed in connection with my provider's proactive reasonable efforts to collect or make a good faith determination for my ASA Discount qualifications solely based on my unique ability to pay and individual health need. I hereby assign billed charges for healthcare services rendered as my legal claims to the above listed provider as full payment, as my authorized representative, and a PPACA or ERISA claimant, to claim or legally pursue for the proper reimbursement from my health insurance or plan.

I hereby authorize the Provider to: (1) release any information necessary to my health benefit plan (or its administrator) regarding my illness and treatments; (2) process insurance claims generated in the course of examination or treatment; and (3) allow a photocopy of my signature to be used to process insurance claims. This order will remain in effect until revoked by me in writing. I authorize the Provider, its designated business associate to make any request, file and obtain appeals information, receive any notice in connection with my appeal or health care services, wholly in my stead. Further, I hereby authorize my plan administrator fiduciary, insurer, and/or attorney to release to the above-named health care provider or its designated business associated any and all Plan and relevant claim documents, requested disclosures, administrative claim files, summary benefit description, insurance policy, and/or settlement information upon written request from the above-named health care provider or its attorneys in order to secure and claim such medical benefits. I authorize the release or disclosure of my protected health information to my authorized representative in order to secure and claim medical benefits due; (1) obtain information regarding the claim to the same extent as me; (2) submit evidence; (3) make statements about facts or law; (4) make any request including filing, providing or receiving notice of any appeal proceedings; (5) act as my authorized representative in connection with any request for external review by applicable state or Federal External Review Process. I authorize my designated authorized representative to make any request; to present or to produce evidence; to file and obtain external review information; and to receive any notice in connection with my external review, wholly in my stead. (6) Participate in any administrative review process, including but not limited to review fiduciary duties involving the administration of benefits. I understand that I will be held financially responsible for all collection agency fees, administrative fees, attorney fees and court costs incurred by the provider listed above for any delinquent account requiring outside collection assistance, to the fullest extent of the law.

I understand revocation of this appointment will not affect any action taken in reliance on this appointment before my written notice of revocation is received. Unless revoked in writing, this assignment is valid for any and all requested administrative and judicial reviews rightfully due me under my governing plan or policy and to the fullest extent permitted by law. A photocopy of this assignment is to be considered valid, the same as if it was the original. I understand that, by signing this form, I am confirming my appointment of my authorized representative, the scope of my authorized representative's authority, and the option of revoking of this appointment.

I HAVE READ AND FULLY UNDERSTAND THIS AGREEMENT.

Appointments

Office visits are by appointment only, please call 989-323-3863 to schedule. The receptionist may ask about the reason for your visit. This helps us schedule the provider's time more efficiently. Please arrive at least 15 minutes early for your appointment. Patients who are late for an appointment may be asked to reschedule at the provider's discretion. Remember to bring all of your prescriptions, over the counter medicines, vitamins and and supplements to each office visit, this will enable your doctor to review the medications at each visit.

Cancellations

When we schedule your appointment, we are reserving time for your particular needs - a room is reserved, your records are prepared, and special instruments are readied for your visit . We know that your time is valuable and, except in the case of emergency treatment for another patient you can expect us to be running on schedule. If you are unable to keep an appointment, we ask that you cancel at least 24 hours in advance. This courtesy makes it possible to give your reserved time to another patient who would like it. If this is not possible, please call as soon as you can so that another patient can be given your appointment time.

Missed Appointments (Non-Canceled)

We understand that missed appointments can occur for a variety of reasons, but, when you miss an appointment without canceling someone else who needed an appointment could have been seen in your place. We track missed (non-canceled) appointments. A “No Show/Late Cancellation” is defined as missing an appointment without canceling at least 24 hours before scheduled time. Your first missed visit will be waived as a courtesy, as we know emergencies happen. For each missed visit thereafter, there will be a charge of **$50 for a missed or non-canceled appointment.** Insurance will not cover charges for no show/late or late cancellation fees. Repeated missed appointments may result in your discharge from the practice. If this is the case, we will offer 30 days of emergent care only and transfer your medical records when you find a new physician.

Payment

Any copays, coinsurance, deductibles, as well as outstanding balances are due in full at the time of service **no exceptions.**
